

# MNS-4 STUDIO MONITOR ISOLATION PADS User Manual

## Hello!

Welcome to the LyxPro™ family. This guide helps you get to know your new isolation pads a little better. For additional information and technical support, please contact our helpful team at [info@lyxpro.com](mailto:info@lyxpro.com).

## What's in the Box?

- 4 x Isolation Pads
- 4 x Wedge Inserts
- 1 x User's Guide

## Feature Highlights

- Provides inexpensive solution for sonic isolation between monitor & surface
- Eliminates unwanted vibration & ensures more accurate bass reproduction
- Optimizes reference monitor performance even on typical speaker stands
- Two-piece design offers level or 8° tilt positioning (backwards or forwards)
- High-density acoustic foam construction suits virtually all 5" & 8" monitors

## Using Your Isolation Pads

- 1 For optimal vibration reduction, wipe surface before setting down pads.
- 2 Place two pads next to one another, spaced to fit your monitor of choice.
- 3 Set monitor down on pads, ensuring proper support across monitor bottom.

For an 8° forward tilt:

Use isolation pads only, with ledge facing forward

For an 8° backward tilt:

Use isolation pads only, with ledge facing backward

For a fully level setting:

Fit wedge inserts onto isolations pads as shown here:
