

VRI40 PORTABLE MICROPHONE BOOTH User Manual

Hello!

Welcome to the LyxPro™ family. This guide helps you get to know your new microphone booth a little better. For additional information and technical support, please contact our helpful team at info@lyxpro.com.

Intended Use

This portable microphone booth is designed to reduce room ambience when recording vocals and other live recording devices. Its walls consist of metal and foam panels that can be easily positioned behind your microphone to create a 'dry' recording in any environment.

What's in the Box?

- 1 x Microphone Booth
- 1 x Gooseneck Tube
- 1 x User's Guide

Mounting Your Microphone

- To mount booth on microphone stand, insert threaded male end into female threaded opening on bottom of booth.
- Turn gooseneck tube clockwise to tighten. Use star screw stopper if desired.
- Loosen microphone stand clamp by turning counterclockwise.
- Affix clamp to microphone stand and tighten by turning clockwise.
